Mars

With Desklet

Features

- The Mars training room chair employs a unique stitching technique that contours its upholstery across its seat and back.
- This technique avoids glue usage over the fabric surface, thereby reducing VOC emissions.
- The seat tilts up when not in use, ensuring easy movement between rows.
- This chair adjusts to its user's needs, thanks to its Flexi-back or Synchro Slide feature.
- The desklet is optimised for accommodating notepads and laptops.

Modular Workstations

Workstations That Work As Hard As You Do.

In today's age of rapidly transforming businesses, workspaces are also becoming increasingly dynamic.

A workspace is no longer just a place where people sit and work. It's an extension of our ideas, our personality, and the way we get our work done.

Godrej Interio's Modular Workstations are designed keeping in mind the needs of new-age workspaces, and provide next-gen furniture solutions that inspire optimum performance.

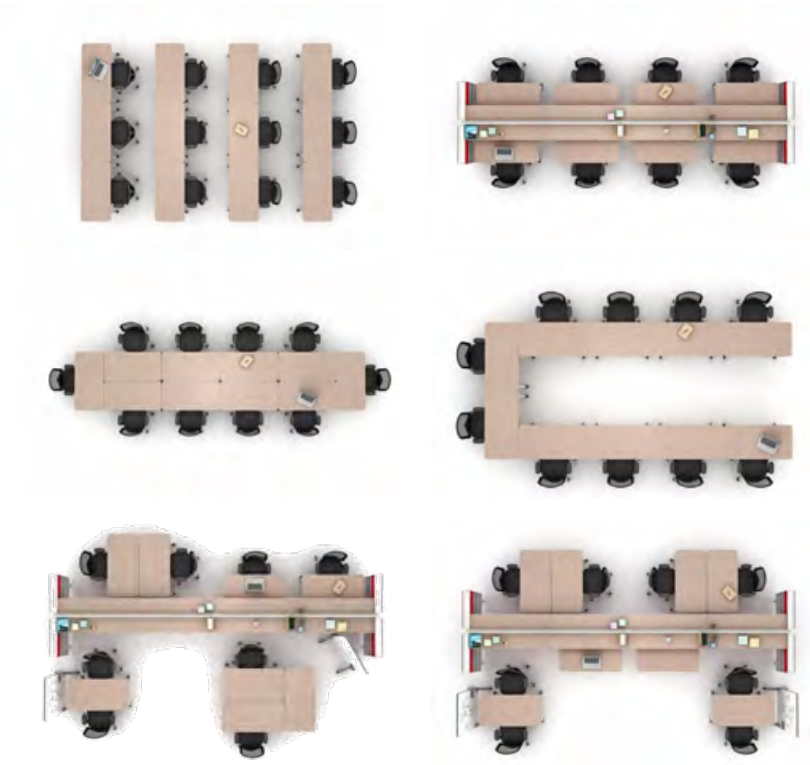

Let's get working!

Configuring Workstations

Mobile Systems

Mobile Systems are workstations whose layouts are not set in stone. They are designed for workspaces that prefer immediate flexibility and reconfigurability of their layouts, which can be done by the user as per their space utility requirements.

- Habitat

Mobile Systems: Habitat

Panel-based Systems

Panel-based Systems add depth to your office space. Their contemporary designs are not only pleasing to the eye, but also highly flexible in nature. These allow for office layouts to be planned around existing oddities within the workspace.

- Wish
- Frontier
- Xpress
- Wall Full Height Partitions

Desk-based Systems

Desk-based Systems are workspace configurations with sliding worktops and monitor holders. These modules can be used for collaborative work when required, as well as individual focused work tables when not in a meeting mode.

- Dfine
- Reason
- Upbeat
- Upbeat+

Panel-based Systems: Wall Full Height Partitions

Desk-based Systems: Dfine

Mobile Systems:
Habitat

Design Registered

Features

- Habitat is an all-in-one workspace solution for corporations that place an equal emphasis on aesthetics, functionality, and sustainability.
- It's designed for workspaces that prefer immediate flexibility and reconfigurability of their layouts, which can be done by the user as per their space utility requirements.
- Comes with glass screen panels above worktop level for an open and transparent look.
- You can also opt for different types of glass finishes, like laminated coloured glass, ceramic printed glass etc.
- The tables can be reconfigured, folded and stacked horizontally as per your utility.
- Accessories like name plate, single and double sided shelf, as well as the magnetic rail on the glass screen are provided to accentuate the aesthetics and functionality of the workstation.
- Clear up floor space by attaching the optional CPU-holder accessory to the panel.

Panel-based Systems:

Wish

Design Registered

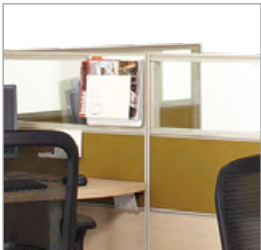

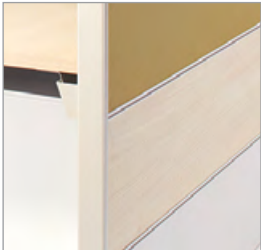

Features

- A workstation with numerous configuration possibilities.
- This contemporary concept is not only pleasing to the eye, but also highly flexible in nature, allowing office layouts to be planned around existing oddities within the workspace.
- It's designed to be able to fit into any office layout, by creatively utilising even ungainly outcrops such as pesky columns into the design of the workspace layout.

- This capability of being highly accommodative is possible because of the ingeniously-crafted horizontal panels that comprise its structure.
- The sleek gapless panels with their proportional visual lines provide the workstations with a modern look and feel.
- Creative layout plans can result in a variety of looks for offices, such as a single colour monolithic look, a classic wooden look, a multicolor tiered look, an artistic acrylic finish, or even a post-modern transparent or translucent glassy look.

Details

Panel-based Systems:

Frontier

Features

- The Frontier is the next step towards an all-modular workspace solution.
- Suitable for banking corporations with multiple branches across locations, as the Frontier is factory-finished, therefore allowing for all individual branches to have a uniform look and feel.
- Thoughtfully designed to ensure complete safety to the user as well as the visitor.
- Comes in a ready-to-install format from the manufacturing plant itself, thereby reducing the site completion timeline.

- Modules available for different functions like
 - Cashier (7' standing interaction counter)
 - Executives (sitting interaction counter)
 - Manager modules
- Enjoy a clutter-free worktop, as it comes with provisions for concealed wiring in the panel itself.

Details

Panel-based Systems:

Xpress Office

Features

- The new Xpress Office is a quick-buy option in modular office furniture, and a one-stop solution for all office interiors issues.
- Comes in four colour schemes to choose from, and with over 100 variants when different configurations and sizes are paired together.
- As all the upholstery and the switch-mounting provisions come assembled from the manufacturing plant itself, setting up an Xpress Office is quick and easy, needing only the installation of the modules at your location.
- With better delivery schedules and faster installation time, it is available in the EDP range of furnitures.

Panel-based Systems:

Wall Full Height Partitions

Features

- This partition solution blends contemporary aesthetics with workspace comfort.
- It's a gapless, modular, full-height partition system, designed to provide an aesthetic appeal while also catering to the general functional needs of an office space.
- Comes in an expansive collection of tile finishes and functions, enabling you to create spaces that enhance productivity.
- Has provisions for writing surfaces, display shelves and a monitor mounting switch. It also comes equipped with an efficient wire management system within the panels.

Details

Desk-based Systems:

Reason

Design Registered

Features

- Reason Workstation combines our unique understanding of Indian consumers with globally-cherished designs, offering benching solutions, return units, sit-stand units, overhead storage units etc.
- Reason is the perfect solution for collaborative workspaces, with the sit-stand unit enabling seamless impromptu meetings.
- Comes with a concealed wire management system that provides a neat and clutter-free worktop.

Details

Configurations

Desk-based Systems:

Dfine

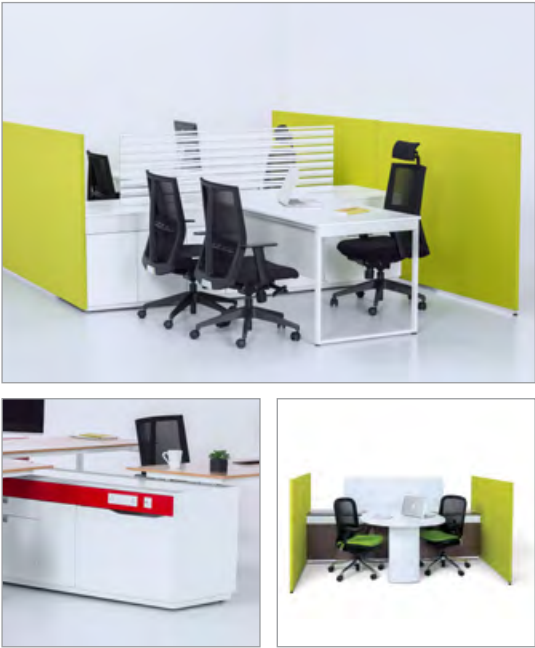

Design Registered

Features

- Dfine is a workspace configuration with sliding worktops and monitor holders.
- Its modules can be used for collaborative work when required, as well as individual focused work tables when not in meeting mode.
- Comes with the provision for meeting pods within the workstation clusters, combined with the possibility of having marker surfaces as well as screen mounting facilities.
- The credenza provides ample storage space for files and stationery, while also ensuring that there's room for the CPU or laptop bags.
- Can be structurally configured horizontally or vertically. Flatter layouts to foster team collaboration or taller layouts to convert cabins into private offices.

Details

Desk-based Systems:

Upbeat

Patent Filed & Design Registered

Features

- Upbeat is a complete office furniture setup solution, designed to cater to the various settings in workspace.
- Comes with five different leg designs, and a range of screen finishes and looks that can be mixed-and-matched to create unique office spaces.
- Different options for wire management and design accessories add to the flexibility of the workstation offering.
- It also provides an exhaustive range of sizes and configurations which allow users to create clusters on the basis of their needs.

- The configurations that could be created with Upbeat are
 - Regular tables
 - High tables
 - Mobile tables
 - Meeting tables
 - Conference tables

Details

Desk-based Systems:

Upbeat+

Design Registered

Features

- Upbeat+ is a complete office furniture setup solution, designed to cater to the various settings in a workspace.
- Comes with five different leg designs, and a range of screen finishes and looks that can be mixed-and-matched to create unique office spaces.
- Different options for wire management and design accessories add to the flexibility of the workstation offering.
- It also provides an exhaustive range of sizes and configurations which allow users to create clusters on the basis of their needs.

SPECTRUM

THE COLOUR EXPERIENCE

Colours, Materials, Finishes and Textures

Godrej Interio's Colour System — **Spectrum** — presents infinite possibilities for creating fresh and inspiring themes for workplaces. In the following pages, we demonstrate some of these possibilities using a curation of workplace themes, and a glimpse of the 100+ colours, materials, finishes and textures we offer.

Inspired by Culture

A city rich in history, Jodhpur's architecture, colours and people signify a beautiful blend of traditions and warmth. Even as the city is adapting to urbanization, it communicates to stay rooted while exploring the new.

Inspired by Flavour

Spices define the nature of food, their intensity and combinations can enhance the punch in the flavour. A combination of such colours and materials triggers the required spark for an interesting conversation.

- FO69 Luminuos
- PW34 Texas Yellow
- FB03 Cement Grey
- FO24 Blue Iceberg
- LM21 Sugar White

Inspired by Spry

Playing sports is not only a wonderful way to stay fit but it is also one of the best stress busters. Aspects of a game such as energy, team spirit and problem solving are synonymous to today's workforce.

Inspired by Refresh

Urban spaces have made us detached from nature. A refreshing, exhilarating experience of spaces with greens is a welcome break.

- FO14 Vitamin Bright
- FO33 Tree Mist
- PW27 Tex Bond White
- LM44 Warm Grey
- MB116 Amati PC

- PW16 Sunset Sky
- PW11 Vivid Cerulean
- PW27 Sugar White
- MB114 Verade Oak Soft Natural

Inspired by Summer

A summer vacation state of mind with pops of colour, a sense of serenity, friends, sun, sand and sea. A refreshing fun-filled break.

Inspired by Zest

Food is a dominant part of one's culture that helps strengthen the community at a workspace, and chilies are the most common ingredients that can bind multi-cultural cuisines together.

- FL06 Garnet
- PW27 Tex Bond White
- PW14 Gargoyle
- FK01 Black Ink
- LM104 Kitami Elm

Inspired by Regal
A meet that could shape the future needs the right setting and tone. An earthy and contemporary palette brings a feeling of power and authority.

- FL04 Prussian Blue
- LT52 Dark Tan
- FL01 Black Ink
- MB112 Tobacco Ash

Inspired by Active
Health is the highest priority for a new age worker. Healthy living is a growing focus area that urges us to practice an active lifestyle even at work. It makes us feel positive, energetic and motivated.

The GREENGUARD Certification Program gives assurance that products designed for use in indoor spaces meet strict chemical emission limits, which create healthier interiors. The certification qualifies for LEED credits and IGBC credits.

In keeping with the Godrej policy of continuous development and improvement, the design, dimension and specification may be updated without prior notice or obligations. Form, Colour and Finish of product in this document are representative of design intent and may vary from actual. Colour options depicted in this catalogue are as close to what modern printing processes allow. All dimensions are in 'cm' and are subject to commercial tolerance. Our products are meant for indoor use only.
