About MBA

1

The Masters of Business Administration (MBA) program offers one of the most prestigious degrees not just in India but across the world.

2

Candidates from any academic background can pursue an MBA degree.

3

In India, an MBA is typically a two - year program wherein the first - year students are taught every aspect of management from marketing to finance to human resources along with fundamental knowledge of business communication, quantitative aptitude statistics and much more.

4

The MBA program helps you develop:

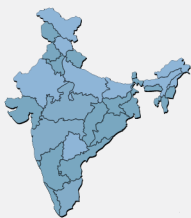

- A consolidated corporate network
- A larger perspective of business world
- Leadership skills

5

In the second year of MBA program, student generally takes up a specialization such as Finance, Marketing, Operations Management
